The next meeting

March 18, 2026 at 13:30 in room 612 (C7)

On the solvability and well posedness of abstract nonlinear equations

Prof. Marek Galewski

Institute of Mathematics, Lodz University of Technology

Elliptic equations: solutions with prescribed mass and some perspectives

Prof. Vicențiu Rădulescu

Faculty of Applied Mathematics, AGH University of Krakow

You are cordially invited to participate in the seminar!
