Dear Professor :

We are pleased to kindly inform you that Nonlinear Analysis organizes a Special Issue on:

Progress in Nonlinear Kirchhoff Problems

Due to your important contributions to this field, we cordially invite you to contribute with a paper to this volume. Taking into account that we intend to publish this Special Issue by **April 2019**, we would be grateful if you accept to submit your paper from **April 1** until **October 30 2018.**

If you accept this invitation, we would be grateful if you could let us know your intention before **March 1, 2018.** You will find further details and deadlines in this letter (see the left-hand side).

We are looking forward to hearing from you soon.

Sincerely yours

 Patrizia Pucci, Vicentiu Radulescu

Submission Format: The submitted papers must be written in English and describe original research which is not published nor currently under review by other journals or conferences. Author guidelines for preparation of manuscript can be found at http://ees.elsevier.com/na/default.asp
